

# Australian Dystonia Support Group

Support and information to Australians who have Dystonia, their family members, carers and parents of children with Dystonia

## Site Content

Reasonable efforts are taken to ensure accuracy of all information as much as possible, but ADSG makes no guarantee as to the currency, accuracy, or quality of information published and/or archived on this site, nor will accept responsibility for other organisations, businesses, and private persons that have provided information. Any health or treatment information provided on the site is for informational purposes only and should be discussed with a health professional.

## Links to Sites

Links to other websites are inserted for convenience and do not constitute endorsement of material at those sites, or any associated organisation, product or service. The ADSG site was created with WordPress and may contain advertisements that ADSG does not endorse or guarantee accuracy. When referring to linked websites, readers are to exercise their own care and diligence and to evaluate and decide each website's respective legal notices and private practices.

## Site Comments

The administrator, creator of this website or ADSG reserves the right at any time to review and/or delete any comments/content that is deemed inappropriate. While reasonable steps are taken to monitor and/or moderate content and posts, it is not guaranteed that this will be done at all times. While reasonable steps are taken to protect contributors and personal information from loss, misuse, unauthorised access, alteration or illegal disclosure, be aware that the internet is an insecure medium, and secured data transmission is not guaranteed, hence it is undertaken at one's own risk.

## Using Content

This website contains content that may need permission to copy or use. If you would like permission to use any content on this site please contact ADSG via the ['contact'](#) page. Links to credits or acknowledgements for images used on this site – [ADSG Image Information](#).
